

Mysterious Mose

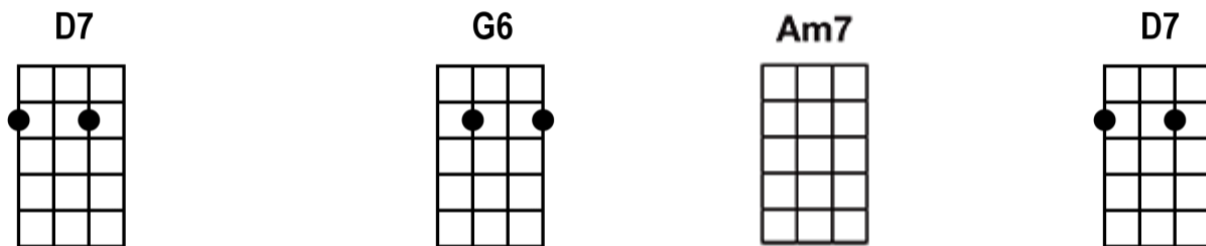

GoChords.com

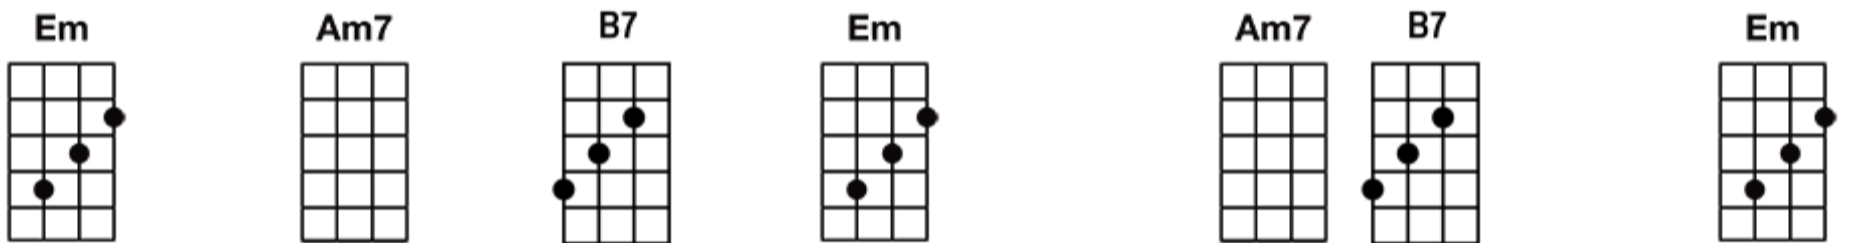

If your path, at midnight dark, by graveyard goes, If someone whistles, (whistle.....), that's Mysterious Mose

Or on some dark and stormy night, while the tempest blows, If someone whistles, (whistle....), that's Mysterious Mose

He sees all, he knows all, he gets in everywhere, Some night he might wait for you up--on the stairs

So when you're goin' down the cellar, walk upon your toes, If someone whistles, (whistle.....), that's Mysterious Mose
